

Renew your VDI 2700 Part 8 certificate with complete peace of mind with LOHR SERVICE!

We are optimising our VDI Control solution to offer you a more competitive package.
From **2 February 2026**, we are reducing our price from €385 to **€200**, with:

- ✓ Less complexity, greater efficiency
- ✓ Lower costs without any loss of responsiveness
- ✓ Issuing of the VDI certificate approved by our LOHR technicians

This new package has been designed to meet your specific requirements.
Please contact us if you have any questions!

At LOHR, we are not just a service provider, we are the manufacturer of your equipment. **Who better than us to check and renew your VDI 2700 certificate?** This check is our responsibility and requires the signing of an inspection report
